VOL. 13 NO. 27 WEDNESDAY, JULY 5, 1972.

Council Eyeing Three Areas For Development

This week's council meeting was held Tuesday evening instead of the usual Monday because of the Canada Day statutory holiday.

Serviced lots in St. Albert are running in short supply said Chief Planner J. X.

Woodroffe and he advised council to start looking at new areas for future development. Mr. Woodroffe pointed out that three major neighborhoods appeared prominently on development plans for the future and re-

ferred to the three areas now called Neighborhoods 10, 11 and 12.

A submission on the Concept Outline Plan by Mr. Woodroffe, previously circulated, revealed his comments and recommendations relating to Neighborhoods 10, 11 and 12 relating to population, density, ser-

vices and so on.

A letter was also submitted by Mr. Shekter, owner of part of Neighborhood 10 which explained his proposal for development of this land for residential and commercial use.

During discussion, council was advised that all of Neighborhood 10 was contained inside the limits of St. Albert excepting a small fraction south-east of the town limits. All of Neighborhood 10 is owned by J. Shekter and Quality Construction. Neighborhoods 11 and 12 located north-east of the Forest Lawn subdivision are owned by Alarco.

Following considerable discussion, council agreed to have staff prepare a list of implications relative to the development of Neighborhood 10.

Stanley Associates Engineering Ltd., represented by F. Dusel, M.C. Prosko and J. Grotzki asked council to consider appointing a special committee empowered to work with Mr. Grotzki, the land negotiator in relation to present negotiations being carried out with Standard General Construction Ltd. The negotiations deal with land acquisition by the Town of St. Albert for a lagoon site and easements to the proposed site. Mayor Gibbon and councillors deBruijn and Hudson were ap-

Continued on page 2

Father Colin Levangie (left) accepts a \$2,320 cheque from Mayor Ray Gibbon who made the presentation of the town grant last week. Witnessing the presentation is Mrs. Arlene Borgstede, chairman of the eight-member administration board. Board members agreed that the town grant will help to cover some of the improvements already made in the museum and revealed that plans are going to be unveiled soon where a two-phase program will be launched and a fund drive initiated. The Museum Administration Board is awaiting word regarding their application for registration of the St. Albert Historical Society according to the Provincial Society's Act.

Protestant School Board Endorses Evening Classes

The Protestant School Board fully endorsed a memorandum submitted last Wednesday at the regular board meeting which proposes another series of adult education classes starting in September.

Mr. L. H. McKinstry, business education department, Paul Kane High School here in St. Albert revealed in his memorandum a list of 21 credit courses which will be offered during the 1972-73 school year commencing during the week of September 11. Each course con-

sists of 60 hours of instruction time from 7:30 p.m. to 9:30 p.m., two evenings each week.

Mr. McKinstry said courses will cost \$44 each and this fee includes text book rentals and materials. He further explained that other courses would be offered if sufficient interest in them is recorded. "There must be a minimum of 12 students per course," he said.

Persons interested in registering now, or simply acquiring more information please call 599-7766.

This platoon of students boarded a Canadian Armed Forces vehicle early Monday morning enroute to the Prince of Wales Armouries where they will receive a two-day indoctrination course before starting on the Sturgeon River Cleanup Program. While at the Armouries, the junior work force will be taught tool safety, first aid and work techniques which will assist them in their six-week summer work project. After completing their two-day indoctrination course, the 40-student work force will attack the Sturgeon Wednesday morning. Driver is Cpl. R. L. Hennigan, 20 Field Regiment, RCA.

Board Appoints Librarian who takes over July 1st

Donald Mills, who has just recently received his master's degree in library science, assumed his appointment as librarian of the

St. Albert Library on July 1st. He succeeds Mrs. Anna Hesse who resigned June 30 after serving five and one-half years as head librarian

Town, MD Councils Hold Joint Meeting

Members of the Town Council of St. Albert and the Municipal District of Sturgeon met last week to discuss topics of mutual concern. Representing the town were Mayor Ray Gibbon and his entire council of six, namely councillors J. J. Bakker, J. deBruijn, R. L. Hudson, R. Kambouroff, F. Lukay and R. Thronson. Representing the MD were: Councillors E. Courchesne, W. Flynn, G. Barry, L. Kluthe, R. Crozier and secretary-treasurer A. Nobert.

The first topic on the agenda was regarding a sewage line and disposal field located east of St. Albert running along the North Saskatchewan River, within the MD of Sturgeon boundary. After three proposals were heard, as submitted by Mayor Gibbon, a site located on SE-10-54-23-W4 was approved in principle, subject to publication of intent and approval by the

Local Authorities Board.

Next topic of interest dealt with a proposed Ring Road running south of St. Albert and forming part of the proposed freeway system. Discussion was centered on land exchange, whereby the proposed ring road, forming the south boundary of Neighborhood 10 creates a triangular fraction of land outside the town limits and a similar piece of land inside the town. Both municipal bodies agreed on terms to swap the fractions of land with details to be finalized at a later date.

The two municipal bodies discussed, quite at length, a proposed public park facility along the Sturgeon River where a strip of farm and bushland, often flooded, would be converted into a man-made lake and park. Further discussions will follow.

The next joint meeting is scheduled for September 26 and will be held in St. Albert.

here in St. Albert. Mrs. Hesse has accepted a position as secretary-librarian at the St. Albert High School. The Library Board wishes to thank Mrs. Hesse for her devoted years of service and hope she will find her new position equally rewarding.

Mr. Mills was educated in Winnipeg, taking an honors B.A. degree at the University of Winnipeg. After working for two years in the Winnipeg Library, Mr. Mills went to library school at the University of British Columbia, taking a bachelor's degree in library science in 1971. He then received his master's degree in 1972.

Mr. Mills has worked part time for the Vancouver Public Library and as a library consultant for Eaton's of Winnipeg. He is looking forward to his new position at the St. Albert Library, especially now that the town council has allocated approximately \$25,000 for the purchase of books out of this year's library budget. Mr. Mills feels the library budget is sufficient to bring the St. Albert Library up to desired standards.

Donald Mills and his wife Kathy have moved to St. Albert and live in Grandin Village.

Lions plan picnic for senior citizens

The St. Albert Lions Breakfast Club are planning an outing and picnic at Elk Island, July 16, for members of the St. Albert Senior Citizens' Club. The Lions and their wives will do the honours, serving up hamburgers,

hot dogs etc. and, as any senior citizen who has attended this event in previous years will agree, these Lions are veritable barbecue gourmets, with the wives doing the galloping! Any senior citizen club member needing further in-

formation should contact Mrs. F. Weller, president, at 599-6354.

The July picnic has become a popular annual affair, and the Lions Breakfast Club look forward to welcoming the Senior Citizens in full force.

Summer Helpmates who provide day-care assistance to single parents in St. Albert are shown with some of their young charges during a 'play break' in the yard of Robert Rundle School. Regular play classes are held in the Robert Rundle gymnasium where youngsters from 2 to 9 participate in arts, crafts and sports. Single parents are invited to register their children with the Summer Helpmates soon since there is still room for more applicants. (Left to right) Peter Odiga, Eldon Erickson, Carol Armstrong, Sherry Miller, Dusty Vida, Russell Vida, David Anshon, Jeanette Kary, Valen Dunean, Pauline Erickson, Elke Lahmelter, Beverly Erickson and Sandy Vida. Missing was Jim Kelly, one of the seven Helpmates who was away mowing a lawn for an elderly St. Albert lady who lives alone and finds mowing the lawn a bit much for her. For more information phone the Summer Helpmates at 599-6550.

Carmar Proposal Approved In Principle

Council Tuesday evening ratified a recommendation made at a previous meeting whereby an application by Carmar Holdings Ltd. for a development agreement of Lots 21 to 40 in Block 2 Plan G be approved in principle.

It was also recommended at the same meeting and ratified Tuesday that the laneway north of Sir Winston Churchill Avenue along Tache Street to St. Thomas Street be sold for \$10,300 and the portion of St. Thomas Street running between Tache and Grandin be exchanged with the developer for the serviced lot north of the Post Office.

The approval of the proposal received a unanimous vote covering the sale of the laneway for \$10,300 and the exchange of land.

Bertha Army Worm

By Wally Klatt,
District Agriculturist

There are good indications that the Bertha Army Worm will be a problem again this year.

The moths emerged from the pupae between mid-June and July. These moths lay eggs normally on the underside of the leaf which hatch in about a week as destructive larvae.

The young larvae feed on the leaves and as they grow and mature they will move on to the rapped seed.

Rapped seed growers should check their fields carefully to ensure the seriousness of infestation and how widespread it is. For instance the worms may only be in the low greener areas, etc.

To check for the size of the infestation, measure off a square yard, knock the worms from the plant by shaking and beating the plant and make a thorough search on the ground within the square area. If the average

A separate motion also received unanimous consent that the notice of intention for the closure of the street and laneway above mentioned by published following by a public hearing scheduled for July 17.

NCA Baseball League

STANDINGS TO JULY 4, 1972

	W	L	T	Pts.

of the random squares (throughout the field) indicated approximately 10 worms or more per square yard, then arrange to spray with lannate.

Producers wishing to use the services of the MD are advised to contact the MD in Morinville and in person with regard to spraying.

Caution should be exercised when lannate is being sprayed. It should not be sprayed on livestock, poultry, edible vegetables and fruit, etc. Personnel mixing the lannate with water should be careful so that no lannate comes in contact with the skin.

Farmers are warned against spraying rapeseed crops before all the eggs have hatched. The insecticide, lannate, is unlikely to have any effect on the eggs, in which case they will continue to hatch.

For positive identification, contact the district agriculturist, Morinville -- 256-3351.

The highest or any tender not necessarily accepted.

R. B. Bowen,
Secretary-Treasurer,
Town of St. Albert.

Council

Continued from page 1

committee to communicate with Mr. Groski during negotiations for the proposed lagoon site and easements.

In a recent letter to council, the St. Albert Women's Institute reported that local playground conditions left a lot to be desired and listed several recommendations. These included better supervision, easing of overcrowding of the swimming pool, increasing recreation facilities in St. Albert, reviewing the original purpose of Tot Lots and looking into the possibilities of hiring teens to supervise the existing recreational facilities.

At the meeting of June 19 council requested that a report concerning playground supervision programs be prepared. By memorandum dated June 23 from Chief Town Administrator Dan O'Connell reported that the program of playground supervision was first introduced in St. Albert in 1964 and operated until 1966. In 1967, during budget study, a resolution deleted the estimates for playground programs and thereafter it was discontinued.

A recommendation was made after hearing Mr. O'Connell's report, that further investigations be made into the records to determine costs of operation and cause of discontinuing the program.

Mr. P. Sandomirsky, spokesman for the St. Albert Salfish Swim Club asked council to permit the Salfish Club the use of the swimming pool at no cost. In his submission, Mr. Sandomirsky explained that the swim club this year will participate in the provincial

finals held in Calgary thus bringing about extra expenses which the club can ill afford if the \$150 pool rent is maintained. Council last night ratified a recommendation that the \$150 yearly fee be deleted.

A letter was circulated from the Provincial Department of Highways in reply to a request from council regarding a proposed reduction in speed limit on Highway 2 through St. Albert. Mr. D. D. Kuchinski, traffic planning engineer informed council in his letter that a study of traffic accidents in 1971 and 1972 in St. Albert indicate that speed was a definite factor in some of these accidents.

"I am inclined to believe that many of these accidents are due to excessive speed," says Mr. Kuchinski's letter, "and not the 40 mile per hour posted speed." Mr. Kuchinski's letter continues to explain that Highway 2, in its present form should be able to accommodate speeds up to 40 miles per hour without difficulty. "Therefore, I would suggest that council request the police to institute a program of strict enforcement of the highway speed limit," says the letter. Council recommended that the letter be referred to the Police Commission.

AROUND TOWN

Dave Wright and Duff Jamison are working at Anthes Western Ltd., pressure pipe foundry, flexing newly acquired muscles and getting up quite a lot earlier than was formerly the case. If anybody knows how to get that kind of oil out of jeans, Audrey and Shirley could use the information.

Town of St. Albert

Notice of Intention

Notice is hereby given that the Council of the Town of St. Albert deem it advisable to close and sell St. Thomas Street between Grandin Road and Tache Street and the laneway north of Sir Winston Churchill Avenue between Grandin Road and Tache Street.

Section 175 of the Municipal Government Act, Chapter 246 R.S.A., 1970 as amended provides that council, subject to the approval of the Minister of Highways, may pass a bylaw for this purpose.

Bylaw #30/72 has been prepared and will be presented to council on August 8, 1972 for first and second reading and will then be submitted to the Minister of Highways for his approval prior to the final passing thereof.

This notice shall be published each week for two consecutive weeks, the last of which will be on July 12, 1972.

Before the passing of this bylaw, a person who claims that land in which he is interested as owner, occupier or otherwise will be affected prejudicially by the bylaw and who petitions to be heard, shall be afforded the opportunity to be heard either by himself or by his agent in accordance with the said act.

Any person owning or otherwise interested in land that sustains damage through the closing of the aforementioned lane shall be compensated for such damages in accordance with the said act.

Written petitions to the proposed bylaw will be received by the Secretary-Treasurer at his office until August 4, 1972.

R. B. Bowen,
Secretary-Treasurer.

Notice of Public Hearing

The Council of the Town of St. Albert having been given authority under Section 119 of the Planning Act 1970 R.S.A., as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone Areas 1 and 2 on the plan presently zoned Residential Comprehensive (R3) to be rezoned to

Area 1 - Residential - One Family (R1C)
Area 2 - Residential - Multiple Family (R3A)

The proposed Bylaw #27/72 may be examined between the hours of 9 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers on the 17th day of July, 1972 at 7:35 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the 12th day of July, 1972. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

R. B. BOWEN,
SECRETARY-TREASURER

The Student's Union of Sir George Simpson presented a cheque for \$100 recently to go towards the purchase of a Vital Capacity Apparatus. This machine, though small and not too complex, gauges breath flow of patients suffering with pulmonary diseases, and assists doctors in diagnosing and the treatment of such ailments. (Left to right) Don Hunt, respiratory technician; Jack Bendera, student union president; Mrs. H. Woodward, operating room co-ordinator; Rod Wiltshire, student union vice-president and handling over the \$100 cheque is student union treasurer Dave Russell.

School Board No. 6 Receives Student Study

At the regular meeting of the Protestant School Board held last Wednesday evening, a report on learning disabilities activities in St. Albert and surrounding region was circulated by Mr. W. D. Thomas Supervisor of Guidance.

From his report, the board learned that following a series of meetings between representatives of the two St. Albert school systems, St. Albert-Sturgeon Association for Children with Learning Disabilities and the Edmonton Regional

Office of the Department of Education, meaningful steps have been taken to remedy the local need for a diagnostic clinic.

Reviewing the history of the movement, Mr. Thomas' report shows that meetings have been held quite regularly by a host of concerned groups since years ago. It was, however, since about 12 months when real action took place. A great deal of interest was aroused following a meeting organized by the Leo Nickerson PTA. Afterwards an interim exe-

cutive was formed, followed by another series of meetings at which experts spoke on the problem of learning disabilities, including Dr. Jim Howell from the Sturgeon Health Unit and Mr. Peter Baker from the Regional Office of the Department of Education.

Other strong advocates of the proposed program are the superintendents of both local school systems, Elmer Gish of No. 6 and Vince Maloney of No. 3, along with Mrs. Beth Blowers from the University of Alberta. A strong voice from the County of Parkland is Neil McDowell.

Since December more meetings have been held where Peter Baker, Steve Sieben, Dave Thomas, Elmer Gish, Vince Maloney, Mrs. Muriel Martin, George Soetaert discussed the need for expanded diagnostic facilities. A questionnaire was designed to assist teachers in identifying students in need of special assistance. Later this year the committee agreed to prepare a proposal designed for presentation to the provincial government requesting aid in setting up a diagnostic clinic.

Recently, the Interim Committee, headed by Mr. Dick Wilson called a meeting at which plans for the 1972-73 school year were discussed. It has become evident that a need for a program for pre-school children be instituted where by diagnoses conducted by the Health Unit would identify children with learning disabilities and this be assigned to the proper school rooms.

Another meeting has been tentatively set for September 21 followed by a report which will be presented to the school boards when the work of the committee is completed. The report promises to reveal immediate plans and long-range proposals.

Paint Expert Added To St. Albert Firm

Clemens D. Determan, an ex-military policeman and former employee of one of Edmonton's leading department stores, has been added to the staff of St. Albert Carpet and Decorating Centre Co. Ltd. effective July 3.

Mr. Determan served for almost 10 years with the Canadian Armed Forces, military police (air element) and received his honorable discharge in the latter part of 1970. Once Clem was back on 'civvy street' he joined a city firm where he was employed in the paint and interior decorating supply department. Clem comes to St. Albert

with a wealth of experience in the paint and interior decorating supply sales and is anxious to assist anyone with decorating problems.

Mr. Determan and wife Helen live at 32 Swallow Crescent with their four children Cheryl 6, Heather, 4, Darren 3 and baby Darlene 9 months.

Junior Conservation Chairman Keith Rae is shown presenting Melanie Hayden with a special award for achieving 100 per cent in her finals.

Junior Conservationists End Course With Honors

The first junior conservation course to be held in St. Albert came to a close Monday evening with the graduation of 24 young students. Each received a crest and certificate.

The course, sponsored by the St. Albert and District Fish and Game Association is for children between the

ages of 8 and 12 years. There's one thing to be said for children - they never pull out pictures of their grandparents.

Teacher: "How old would a person be who was born in 1920?"
Smart Kid: "Man or woman?"

Subjects covered included: cloven-hoofed animals, upland birds, birds of prey, fur bearing animals, fish of Alberta, survival, safe gun handling, first aid, water safety, facts about pollution, drug education, forest protection, fish-wildlife and land management, migratory birds and trees of Alberta.

Besides Mr. Hayden, the other members of the instructional staff were: Keith Rae, junior conservation chairman; Walter Frank and John Chinko, farmer-hunter relations.

Mr. Hayden announced that there will be another course starting in the autumn and a notice to that effect will be published in The Gazette.

Here are 17 of the graduating class of 24 Junior Conservationists who passed their 10-week course with exceptionally high marks. (Back row, left to right) St. Albert Fish and Game Association president Don Hayden, instructors, Walter Frank and Keith Rae. (Next row forward) Elzeor Berg, Tammy Facette, Bonnie Engel, Craig Mill, Mark Mill, Gordon Hay, and Kent Nielsen and Randy Craig. (Next row front) Mike Bherer, David Kisil, Jim Fae, Kenny Stewart, Kevin Nielsen, and Don Hayden. (Kneeling front) Kathy Wright, Joanne Wright and Melanie Hayden.

A math teacher presented the following question to her class: "A stationer bought a dozen pens for \$3.44 and he sold them for \$2.98 a dozen. Did he make or lose money on the transaction?"

Little Tommy raised his hand and answered promptly: "He lost money on the dollar side, but he made money on the cents side."

The country boy, on his first visit to the city, walked out of his hotel and approached a cab parked at the curb.

"Taxi?" he asked.
"Yes, sir," said the driver.

"I thought so," mumbled the yokel, as he walked back into the hotel.

Town of St. Albert

Notice of Public Hearing

The Council of the Town of St. Albert having been given authority under Section 113 of the Planning Act 1970 R.S.A., as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone that area shaded on the plan below presently zoned Residential - Multiple Family (R3) to Residential - One Family (R1C).

to 'R1C'

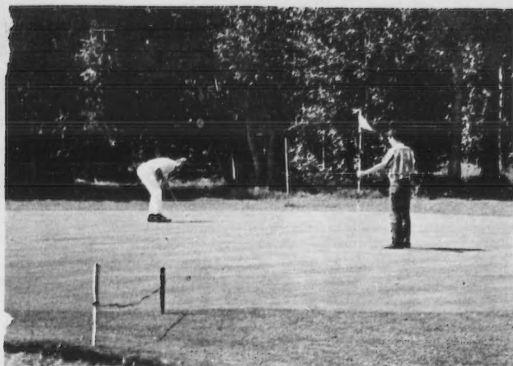

The proposed Bylaw #28/72 may be examined between the hours of 9 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers on the 17th day of July, 1972 at 7:55 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the 12th day of July, 1972. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

**R. B. BOWEN,
SECRETARY-TREASURER.**

Dairy Queen owner Max McCann takes time out from his busy schedule to take in a round of golf at the Sturgeon Golf and Country Club last Wednesday. Max sunk this 30 foot putt for his par on the eighth hole.

Sailfish Swim Club Defends Title In Invitational Meet

The Sailfish Swim Club has once again won the Safe-way Trophy for highest points at their annual Invitational Swim Meet on July 1st.

Bad weather failed to dampen spirits or deter keen competition between St. Albert and teams from Hinton, Edson, Leduc, Westlock and Redwater.

Competition was held in age group levels ranging from 8 and under to Senior (over 15), in many categories. These were Butterfly, Backstroke, Breast Stroke, Free Style, Individual Medley (four lengths, each a different stroke), Medley Relay and Free Style Relay.

In all 70 events were completed, including several heats in many of the events.

Final standings were: St. Albert - 517 1/2; Edson - 259; Hinton - 150; Leduc - 144 1/2; Westlock - 57; Redwater - 44.

Trophies donated by Macleods Stores for the outstanding swimmers from visiting teams went to Marianne Hansen of Hinton and Neil Jamieson of Westlock. This meet is only the beginning of a hard competitive season for the swim club. Next on the schedule

is a relay meet at Camrose on July 9 followed by meets at Hinton on July 16 and Edson on July 29.

St. Albert can be proud of it's young swimmers who go through at least 80 lengths of training a day. But credit should also be given to head coach Don Croft and assistant coach John Grave who put in many hours of work each week to help the swimmers. Also much credit is due to Dianne Sandomirsky and Ann Kehoe, meet managers, and all parents who worked at the meet or assisted in other ways.

Coroner's Jury Seeks Curb on Firecrackers

A coroner's jury last Thursday recommended here in St. Albert that the sale of firecrackers and other fireworks be prohibited to any person regardless of age . . . except to authorized persons operating a public fair, exhibition or such functions.

The jury was investigating deaths and injuries resulting on May 21 when fireworks were said to be the cause of a tent fire in St. Albert. No blame was attributed to any one person in

the incident. Provincial Coroner, Dr. Max Cantor said the inquest would help Attorney-General Merv Leitch in setting regulations regarding fireworks in the province.

Ten days after the tent fire incident, Town of St. Albert Council passed a by-law prohibiting the sale, conveying or setting-off of fireworks within the boundaries of the Town of St. Albert.

It is anticipated that stringent provincial and town by-laws will curb the relatively free use of fireworks . . . unauthorized sales and indiscriminate use of firecrackers.

Poised for take-off, each girl has her own stance, as they listen for the starting gun at the swim meet held at St. Albert pool on Sunday.

Saints Place Two In Top Ten

Richie Perrault and Arnold Bailey were the only members of the St. Albert Willowbrook Saints to place in the top 10 hitting department of the Sunburst Baseball League.

Bailey is in ninth place

with an excellent .419 batting average while Perrault was close behind at .417. Larry Wolbeck was the only other Saint to break .300 with a .303 average. League standings up to June 25th show the Saints

in second place in the Northern division, only one and one-half games behind front running Weiller William Colts.

In other individual departments, Wolbeck and Perrault are tied for second in triples with two each. Pitcher Jim Nelson has appeared in the most games (five).

Saints play tonight at the North Edmonton diamond against Weiller William Colts and on Thursday play host to Camrose Cubs. Cubs led the Southern division.

On the July 8/9 weekend the Saints will travel to Warburg for tournament action.

Bruin Club tops Junior cycling event

Ted Butterworth and young James Kuster of St. Albert Bruin Inn Cycling Club took the top placings in the Alberta Junior Road Race Championship held at Red Deer last weekend. 28 competitors from Edmonton, St. Albert, Red Deer and Calgary took part in the 50-mile event, held un-

der cool showery weather conditions.

Paul Ebbs of Calgary Juveners and Desl Dubucq of Alberta Cycle placed third and fourth. The four winners will represent Alberta at the National Junior Championship in Vancouver, July 30.

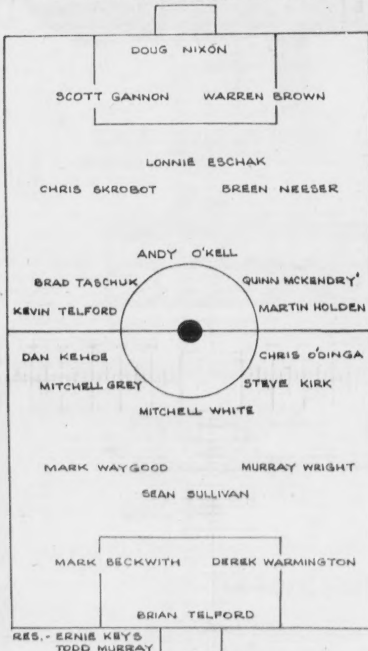

James Kuster, who is only 14, has three more years riding as a junior.

On Thursday the Bruin Inn Cycling Club is promoting a 10-mile time trial. Cyclists will meet at the weigh scale at 7 p.m. The event will be followed by a meeting at St. Albert Library.

Advice to the bridegroom: "No matter how she treats you, always try to look a little hurt."

Once there was a tree surgeon who went broke. He wouldn't make house calls.

ST. ALBERT PEEWEE SABRES EMYSA REPRESENTATIVE TEAM.

PEEWEE ALL-STARS LOCAL LEAGUES SELECT TEAM.

KICK-OFF 7:30 PM FRIDAY 7 JULY
AT SIR GEO. SIMPSON SCHOOL FIELD.

Calahoo Fastball Tourney Goes This Weekend

The Calahoo Sports Association will hold their annual 12-team fastball tournament this weekend, July 7/8 at the Calahoo Sports Field. Participating teams from third division and down will be playing for a total cash prize of \$340.00. It will be a modified double-knockout event with each team guaranteed two games.

The hard working sports committee have added a second diamond to their complex this year.

Saturday's draw will get underway at 12 noon with the University playing Villeneuve and Northern Paint meeting Calahoo Chiefs. At 2 p.m. Windsor Bowl and Slave Lake meet while Summit Engineering goes against Kanton Blues. The 4 p.m. draw has Stony Plain Playboys against Linaria and Spruce Grove Panthers vs Namao.

At 6 p.m. the feature attraction

will be a comedy game with the touring Calahoo Cuties ladies team going against Villeneuve mens team. The Cuties are undefeated this year (29 rain-outs) but will show the fans just how the game of fastball should be played - (we hope). Following the game a dance will be held in the Gazebo.

On Sunday action will start at 10 a.m. with the final at 6 p.m.

Two prizes will be awarded for A and B event with

1st place in A taking home \$150. while the runner-up gets \$100.00. B event winners make \$60 with the runner-up \$30.00.

A supper will be held in the Church basement on Sunday afternoon and from all reports last year, the crowd can look forward to an excellent meal.

The thunder god went for a ride on his favorite horse. "I'm Thor," he cried. The horse replied, "You forgot your thaddle, thilly."

Peewees meet Allstars in Friday Soccer Match

On Friday evening, July 7 the St. Albert Peewees Kick-off at 7:30 p.m. in a game against an all-star team selected from the local pee-wee leagues.

Starting next week July 11 we shall be holding introductory sessions for boys born between 1965 and July 1st, 1967. These will go at Grandin soccer field on July 11 and 25 and at Paul Kane soccer field on July 18 and August 1. Sessions are at 6:30 p.m. to 7:30 p.m.

During July and August we shall be starting practice game schedules on Wednesday and Thursday evenings on a one-game-a-week basis for teams in the local leagues.

Approximately seven or eight boys have already offered their services to gain coaching experience and act as referees during the summer.

Due to the long weekend it was not possible to obtain results of games played last week so the league tables show results received up to May 26.

A summer practice schedule for teams in the bantam

EMYSA leagues is being arranged and should commence on July 12. These games will be played on Wednesday evenings. A similar series for the EMYSA Peewees and Atoms is being investigated to determine the number of teams who are interested in a practice schedule.

Sturgeon Fastball

CJD - Al remained in top spot in the Sturgeon Men's Fastball League with a 7-2 win over fourth place Stony Plain Playboys Monday night in St. Albert.

Joe Kostenuk and Brian Zamiski led the winners with a home-run each while Tommy Reed went all the way on the mound for the win.

In other action Calahoo Chiefs won their game by default over Grandin Esso Tigers when the Tigers failed to field a team. Spruce Grove Eagles defeated Villeneuve 11-7.

Junior Goodwill Ambassadors All Set For Newfoundland

Trustee Dr. W. Cuts, who has been in charge of the Student Exchange Program gave his finalized report at the regular School District No. 6 meeting last Wednesday.

Dr. Cuts explained that the 24 St. Albert students 12 from each system, who will be visiting Gills, Newfoundland will leave Edmonton July 8 and arrive at their far eastern destination on the same day (because of time zones). The St. Albert ambassadors will then be involved in an extensive visiting schedule which will end July 19 when they and their Newfoundland student friends will all arrive here.

Once the contingent of local students plus the 24 visiting students from Newfoundland arrive, they will in turn be treated to a whitewind tour of St. Albert, Edmonton and the Rockies. The program reads like a travel

agency brochure.

July 19 arrival at the Edmonton International Airport; July 20 Edmonton City tour and Klondike Days; Town of St. Albert banquet that evening at 7 p.m. and if time permits the students will be treated to a free swim in the Grosvenor Park Pool, July 21, Klondike Days July 22 Game Farm, July 23 Hayride and Welner roast, July 24-25 trip to Jasper National Park; July 26 Lions Club barbecue. July 27 is parting time for the two groups when the Newfoundland goodwill ambassadors will depart for their respective homes.

Then the good doctor plunged into the nitty-nitty of the trip and showed that after paying out all obligations from monies received through grants, fund-raising drives and donations, the whole adventure will run at a slight deficit.

Operation Placement Aids Student Job Hunters

The golden rule in looking for a job is to keep on trying, says Dale Dowell, student director of Operation Placement, a program designed to assist students seeking summer employment. It involves the Edmonton Chamber of Commerce, Canada Manpower Centre for Students, student representatives from the U of A, NAIT and Grant MacEwan College.

Dale has some further advice for students looking for jobs. They should prepare a resume. It should be straight-forward, and present personal data such as age, phone number, work experience, education, extra-curricular activities and special interests. For interviews students should be neat and present a positive business-like attitude.

When looking for a job, it is important to check with friends, and relatives for possible leads. As well, students should register and keep in touch with the Canada Manpower Centre for Students for the latest employment opportunities.

Operation Placement is involved in contacting employers, referring jobs, promoting odd-jobs and student businesses, contacting news media, speaking to community associations, and other activities that stimulate summer employment for students.

Students provide a variety of diverse and necessary services for the community. Many employers hire students to fill their summer staff vacancies, or to work on special tasks.

Through Operation Placement's odd-job and student business organization, there are students who will cut lawns, dig flower beds, hoe gardens, paint fences, garages, and houses, wash windows, clean houses, and build garages, fences and small buildings. These students will do many kinds of different jobs, all well and at a reasonable rate! Call 424-4700 (24 hours) for any job, big or small.

Students working on their own are enjoying a degree

Placement odd-job organization, working on various short-term jobs over the summer.

Offices are at the Canada Manpower Centre for Students, 802 One Thornton Court (just east of the MacDonald Hotel); and on the fourth floor of the Students Union Building, University of Alberta.

Letter

The Editor:

As president of the Salfish Swim Club I would like publicly to thank everyone, young and old, who contributed to the success of our annual Invitational Swim Meet on July 1st.

By success I do not mean only the fact that our swimmers won the most points, but that sportsmanship and good fun were the order of the day.

In extending my sincerest thanks I would like to acknowledge the following:

Councillor Rene Kambooroff for bringing greetings from the Town and M.I.A. Ernie Jamison for his good wishes, Canada Safeway and Macleods Stores for their donations of trophies.

The Department of Parks and Recreation of the Town of St. Albert for their assistance in providing facilities and services at Grosvenor Park Pool.

The parents of swimmers who spent many hours of organization before the meet.

The people who gave up their day to act as officials and general staff during the meet.

And last, but not least, the swimmers themselves, of whom we are justly proud.

James A. Kehoe.

Around Town

Shirley Goldstick, Lions Park Recreation Director, is busy teeing up a varied program for youngsters at the park. On Friday she would like to have the kids

bring articles to be tied. Shirley will have daily activities posted on the Bulletin Board in the park where parents and youngsters can keep track of the events and activities planned.

Mo and Yvonne Gerwing enjoyed a month's visit with Yvonne's sister and her husband, Elta and Rick Oudowdermans from Merkssem Belgium, a suburb of Antwerp. Mr. Gerwing, manager of the Bank of Montreal, here, took his holidays while they were here and the two couples travelled to Yellowstone Park, Seattle and Couer d'Alene, up to B.C., and back via Radium Hot Springs and Jasper. Another jaunt took them to visit friends in the Peace River

country. It was the Oudowdermans' first trip to Canada and Yvonne had not seen her sister for four years. They left last Saturday.

George Willis, Len Musto, Stew Rindero and Wally Wellman of St. Albert are with the Capital City Chorus, and presently practising Klondike style numbers for a performance at the Sunday

Promenade. The chorus also operates a concession booth that day, which keeps all the members busy from early morning till late evening, between performances and the money-raising project.

It's not so easy as you might think to get a parking ticket. First you have to get a parking space.

St. Albert School of Dancing Scholarship winners: left to right, Kerry Martin, Mrs. Hughes (principal), Liane Lynch, Katherine Hawken, Mrs. Smith (principal), Joanne Smith. St. Albert School of Dancing wound up an exceptionally busy season with their annual recital, 150 children, aged 4 to 18 took part. After the concert the principals Mrs. Hughes and Mrs. Smith, were each presented with a bouquet of flowers from the students. Four children were presented with dancing scholarships which enables them to have free lessons for the following year.

"Come With the Family and Worship With Us"

Gala party marks completion of Riviere Qui Barre centre

To celebrate the completion of the Riviere Qui Barre recreation centre, built on to Camilla School, the recrea-

tion society threw a free party for the people of the community who have worked so hard on the ambitious

project. A large crowd turned out for the occasion and dancing continued into the wee hours.

Work began last July on the \$17,500 extension to the school and it is now completed and paid for in full. The building was approximately \$14,500 and tables, chairs and furnishings were \$3,000. The extension provides a kitchen, meeting room and washrooms to be used in conjunction with the school gym, which leads into the new building. The gym is available for the recreation centre between 6 p.m. and 6 a.m. each night. Approximately 400 people can be accommodated in the new centre.

KIDS AROUND TOWN

We enjoyed meeting Elaine Meunier in the BI Recreation Centre this week. Elaine is working in the purchasing department at the University of Alberta as a secretary, and continues to make her home with her sister in St. Albert.

Egypt's Sade el Aali, the new rock-fill high dam at Aswan, is 16 times as big as Cheop's Great Pyramid at Giza, the National Geographic Society says.

Jupiter is 1,000 times larger than Earth and has more than twice the mass of all the other planets in the solar system combined.

A cheque for \$6,000 from the Provincial Government, Department of Culture, Youth and Recreation, was presented during the evening to President Angus McDonnell of the rec society by Ernie Jamison, M.L.A. The grant will enable the centre to work with the school board on landscaping the grounds, adding another ball diamond and providing a football field and outdoor sports facilities.

The project received \$1,200 under the federal winter works program, about \$4,000 through direct cash donations by people of the community, \$900 from a young people's walk-a-thon and the balance from activities put on in the district to raise money, including curling rink functions. When it got down to the painting stage the women of the community got busy and saved about \$675 over the tendered price. A lot of volunteer labor went into the building.

Mr. McDonnell introduced the members of the Society's executive: Cathy Fisher, secretary-treasurer; Joyce Stevens, Sabina and Jack Kinella, Gordon Perrott and Mel Fisher. Visitors representing the MD Rec Board were also introduced: Larry Paul, president; Mrs. Joyce Whitson, Reg Crozier, MD councillor on the board and Carl Royan, MD recreation director.

Armand Chalfoux looked after the taps and the women of the district served food from their new kitchen.

The next event planned for the centre is a picnic and cabaret, possibly on August 5th.

Nickerson Honors Parent Volunteers

The principal of Leo Nickerson School, Lowell Thronson, and the teaching staff said "thank you" recently to the school's parent volunteers at a recess coffee party.

In presenting the volunteers with engraved coffee spoons as mementos of their year assisting with the program at Nickerson, Mr. Thronson stressed the value and the success of the program, not only in the library where it began, but throughout the school.

This year, parents assisted students in reading and mathematics, helped teach-

ers with displays, preparation of materials and charts, as well as numerous activities in the routine operation of the school library.

Those ladies receiving spoons at the coffee party were Ann Fee, Lois Folkens, Mary Wiersema, Dorothy Carline, Pamela Babcock, and Emily Gowler. Also part of the program during the year and receiving spoons, but unable to be present at the coffee party, were Fern Thompson, Donna Peterson, Doris Drewler, Freida Saycher, Frances McLaughlin and Pat McRae.

Ernie Jamison, M.L.A., presents a cheque for \$6,000 from the provincial government to Angus McDonnell, president of the Riviere Qui Barre Recreation Society, at a party held Thursday evening to mark completion of the community's new recreation centre at Camilla School. Photo by "one lesson" Fisher, who kindly volunteered his services.

The Legal Recreation Board, Knights of Columbus Council and Parish Council have come up with support for the Step program, under which Marjolaine Chamberland and Laurent Coulombe are working with senior citizens in MD Sturgeon during the summer weeks. Leonard Forcade, president, presents Marjolaine with \$50 from the Rec Board in tophat, on left she receives \$25 from Grand Knight Richard Maurier, and at right Richard de Champlain, Parish Council president, presents \$40.00.

Everyone Likes A Demolition Derby

For a "bang-up" experience take in the Demolition Derby at Fete au Village in Legal. The event goes about o'clock on Sunday, July 30. Norm Cyr is the man to contact if you have an old car that still runs, which you would like to get rid of. If you want to enter the demolition races, Norm is also the one to take your registration for the event. Telephone him at 598-3693.

The old heap races are always a lot of fun - both for those driving and the spectators. The Gazette

learned via the grapevine that two pretty and well-known sisters called Fern and Lucienne are planning to enter incognito in their husband's trucks, and that a certain M.L.A.-publisher is taking money on his staffer, but this was not confirmed at press time.

Bon Accord Hosts Playoffs

Bon Accord will host the 14 - under fastball girls' playoffs for the Provincial Northern Zone July 8 and 9.

On both days, games will start at 2 p.m. and will be played in the school grounds in Bon Accord. Participating teams include: Mayfield (Edmonton), Wellington (Edmonton), Vermillion and Bon Accord.

Legal CWL News

By Mary Quaghebeur
The last meeting of the season was held on June 20, with 11 members present.

In absence of the secretary Simone Holzer recorded the minutes, Pal Montpetit gave the financial report. Madeline Cornelis read the spiritual program the theme was, "Lelure".

Letters received from Diocesan conveners were read by Mary Quaghebeur and Mae Morissette.

Guest speaker for the evening was Marjolaine Chamberland, explaining the Step - Summer Temporary Program, to work with the Senior Citizens in the Sturgeon area.

A committee of Florence Quaghebeur, Claire-Yvonne Keane, Simone Holzer was formed to work on the CWL float, which will be entered in the July 29, Fete au Village parade.

Next meeting Sept. 19.
10 - ST. ALBERT & STURGEON GAZETTE, WEDNESDAY, JULY 5, 1972.

By Norma Crozier
Nanmo Mothers-Take-a-Break group requires a babysitter for the fall. Would anyone interested please phone Mrs. Carol James at 799-3226.

Nanmo Senior Citizens, 60 years and over, are invited to attend a trip to the Provincial Museum and Archives, Wednesday, July 12. Cars will be leaving the Nanmo School parking lot at 10 a.m. and returning at 4 p.m. Those interested in attending should phone Mrs. Harold R. Clark at 799-5984. People are welcome to bring their lunch or eat in the Museum Cafeteria.

Services at the Nanmo United Church will be cancelled for the first three Sundays of July as Dr. Miller will be away on holidays. Services will resume on Wednesday, July 26 at 7:30 p.m. and continue on Wednesday evenings through the month of August. Vacation Bible School at the Church July 31 - August 5; 9 a.m. to 11:30 a.m.

Mr. and Mrs. Arne Miller of White Rock, B.C., are visiting friends and relatives in the Nanmo district. A family gathering was held in their honor at the home of Mr. and Mrs. Don Speers on Sunday, July 2. Mrs. Miller is the former Esther Samis of Nanmo.

Nanmo Horse Show and Gymkhana will be held at the school grounds on July 9th at 10 a.m. For more

NAMAO NEWS

Information contact Mrs. Marshall Davis at 799-5964.

Mr. and Mrs. E. B. (Bud) LeClair celebrated their silver wedding anniversary on Friday, June 30 with open house at their home to 200 guests. Bud and Maxine were married in St. Albert and have five children, three daughters and two sons, all of whom were home for the occasion. Pouring tea were Mrs. Ada McDonald, Mrs. Babe Davis, Mrs. Ella McIntyre, Mrs. Margaret Armstrong, Mrs. Terry Patry, Mrs. Maizie Townsend and Mrs. Lizzie Dean. Out of town guest was Mrs. Seth Ryan from Teslin, Yukon, a former neighbor.

Mr. and Mrs. Will Wilson of Nanmo are enjoying a visit with his parents and niece from Nova Scotia.

Visitors at the home of Mr. and Mrs. Ronald Nelson are her brother and his wife, Mr. and Mrs. Peter Gibson of Toronto, Ontario.

Thanks to all the ladies who helped clean-up the community hall last week.

Mr. Ross McLay won the trophy for the best adult jazz student at Judy Kugler's Dance Academy Annual Dance Review held in the Jubilee Auditorium on June 24th.

Mr. and Mrs. Richard Lowe travelled to Vermillion for their 25th class reunion over the July 1st weekend. They renewed old acquaintances, starting with a barbecue on Friday evening and

ending with a church service on Sunday morning.

Now the ball season is over, Leo Huber would like to thank all the coaches,

coaches helpers and umpires and everyone that had anything to do to organize ball in Nanmo. "I'm looking forward to a better year next year," said Leo.

Queen Contestants for Fete Au Village in Legal

Competing this year for the title of "Mademoiselle Fete au Village" are five Legal high school girls. They are: Rita Laframboise, Margo Montpetit, Jocelyne St. Martin, and Patricia Theberge.

The crowning of the Queen will take place on Saturday, July 29 at 7:30 p.m. Candidates will be judged on their appearance throughout the program, on their ability to speak in public, and on the exhibition of a talent of their choice. The community wishes the four girls the best of luck.

RITA LaFRAMBOISE

is 17 years old and is a grade 11 student. Rita plays baseball and enjoys sewing and cooking. After obtaining her high school diploma, she would like to take a business course or become a hairdresser. Rita hopes to visit Newfoundland in the near future and later travel to Europe.

MARGO MONTPETIT

is in grade 11 and is 16 years old. She enjoys music and has taken piano lessons. Her favorite sports are swimming, baseball, and basketball. Margo hopes to become a CNA and find employment in other countries. Of all the European cities, Margo would especially love to visit Rome, the Eternal City.

JOCELYNE ST. MARTIN

is 16 years old and in grade 11. She enjoys music and loves all sports but particularly swimming and horse riding. Her ambitions are to complete high school and become either a dental or medical secretary. Later, she would like to visit European countries, especially France.

PATRICIA THEBERGE

is in grade 10 and is 16 years old. She enjoys playing piano, dancing, cooking and is an avid fan of baseball and basketball. Patsy wants to complete her high school and later be employed as an office worker. She loves the outdoors and hopes someday to travel to Montreal and Disneyland.

VIMY NEWS

By Jeanne Laplante

Congratulations to Mr. Albreda Fortier who was awarded a certificate of meritorious service in the area of recreation from the Westlock Regional Recreation Board.

Holidaying in Banff recently were Mr. and Mrs. Claude Huot.

Recent visitors at the Landry families were Sister Gisele Landry from Amos, Abitibi Quebec and also Sister Lucienne Landry.

Speedy recovery wishes to Mrs. June St. Arnaud who is presently hospitalized.

Mrs. P. Goueffic and

daughters were visiting the Bernhard families last week.

Sister F. Gibeau was delighted to visit with one of her former students, namely Mr. Laurier Fecteau from New Brunswick.

Holidaying at Moose Lake are Mr. and Mrs. Roger Laplante and family.

Lions Beach at Bouchard Lake was the scene of celebrations on the occasion of Mr. Fortunat Bernard's 86th birthday. Some 50 members of his family all joined for the happy occasion. Mr. Bernard was presented with a platform rocker on behalf of his children. Many happy returns of the day.

VILLAGE OF LEGAL

Notice of Public Meeting

Notice is hereby given that the Council of the Village of Legal intends to enact a bylaw pursuant to Section 175 of the MUNICIPAL GOVERNMENT ACT, 1968, as amended.

The purpose of the said bylaw is for closure and sale of the easterly 16 feet of 49th Street between 48th and 49th Avenue as shown on the accompanying sketch. This portion of street will be consolidated with the adjoining lots.

The proposed bylaw may be examined during normal business hours at the office of the Secretary/Treasurer at Legal.

A public hearing will be held in the Council Chamber on July 14, 1972, commencing at 2 p.m. in order to hear any objections to the proposed bylaw.

Objections shall be submitted in writing prior to the meeting. They will be received by the Secretary/Treasurer at her office until 5:00 p.m. of July 13, 1972. Those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

Agnes Montpetit, 1972
SECRETARY-TREASURER

MORINVILLE MEMOS

By Rose Martel

Congratulations to the Morinville Senior Baseball team, under the coaching of Nick Woytkiw, who to date have won eight league games and lost only one to Namsco.

Mrs. Lorraine Ferguson was the guest speaker at a supper held at the Edmonton Inn, when she was presented with a 25 year service pin from International manager K. Reed, and sales manager B. Knetchel, who hosted the evening. Mr. Gaston Kremer partner of Kremer and Kremer in Morinville, and Mrs. Kremer were also present. Mrs. Ferguson began her 25 years of service with the International agency in Morinville on May 1st, 1947. She was previously presented with a parts journeyman's certificate.

Rev. Sister Edith Steffes is visiting her brother, Mr. Clarence Steffes and his sister, Mrs. John Saunders, of the district, and many other relatives in the province. Born Edith Steffes has been teaching in the States in recent years, and now stationed in Santa Fe in the West Indies, for the past three years. She was known in Morinville as Rev. Sister Winifred, when she taught here years ago.

Labonte's new Super A groceteria and meats will hold a formal opening on July 13, 14 and 15 in their new large premises.

Members of the Golden Age Card Club will hold their delayed banquet and social on Thursday, July 13 in the Legion Hall. Pot Luck supper will be served at 5:30 p.m. and a social hour will follow in the afternoon.

MORINVILLE

members will be entertained by cards. Men members are to bring the refreshments of their choice for the occasion. For further details members of the card club may inquire with Mrs. Kenny DeTennancourt or Mrs. Jeanne Houle.

Mr. and Mrs. Ferd Steffe former owners and managers of the Alberta Hotel are leaving this week for a six week trip to Germany.

Mr. and Mrs. Ernest Peras, accompanied by Mr. and Mrs. Alex Montpeller, recently moved to Creston, B.C. to an antique car sale. They travelled in a 1953 Buick car that was in premium shape and took them from Edmonton to Creston, in 10 hours. After the sale they continued merrily on their way to Nelson, south to Washington and Idaho, then back home.

Mr. and Mrs. Ed Kryskow travelled to Vermilion last weekend where Mrs. Kryskow attended a class reunion of Year ??? (1929 Jack Benny style Ann??)

Miss Carol Woytkiw was Morinville's student representative at a leadership course held in Edson and sponsored by the Morinville Recreation Board last week.

Terry Woytkiw is attending special summer course in Drumheller for the next six weeks.

It was with regret that the death of Joseph Prefontaine brother in law of Mrs. Stella Chalfoux and family was learned last week. Mr. Prefontaine was very well known in Morinville, Legal, and district. He had been a resident of Edmonton for many years.

Work is proceeding on the new Credit Union building, across from the old hotel.

Mr. Gerard Pelletier accompanied by his daughter Janice and son John, attended the funeral services of

Mr. P. Stefanyk, Sr. in Lac La Biche last week.

Recently Mrs. Jeanne Ethier-Turgeon lost a black wallet in Morinville. She reported last week, that the wallet had been returned after the notice had appeared in this column. Here is hoping that Norman Chalfoux of the Morinville Drugs is as lucky. His premises were recently broken into, and some \$800 worth of goods were taken. RCMP and the narcotic squad are investigating.

Mr. and Mrs. Norman Meunier and children are gone on a 10 day motor holiday.

Last minute preparations are being arranged by the 20 local students leaving for a 10 day holiday by plane on the morning of July 14. Reminder to all parents, that the chartered bus will leave the Morinville Centre at 8:15 a.m. sharp.

Some 54 local children began swimming courses in the Edmonton-Victoria pool on July 3, sponsored by the Morinville Mother's Local.

This is an SOS call on behalf of the Morinville Guides, for a three ton truck and driver. (Your gas will be paid, Sir) to take some three tons of newsprint to a plant in Edmonton, as soon as possible. If possible a truck with a winch or a vehicle which could handle the bundles easily would be preferred. Here is an opportunity to make a worthwhile contribution to the community Brownies and Guides, who will help load and unload if necessary. Please contact Mrs. Terry Curtis or Mrs. Sidney Pifko and offer to help out.

A correction on behalf of the Morinville Lions Club, for the misinformation printed last week. The members of the committee who evaluated the Citizen of the Year Award were Mr. P. E. Brochu, Corporal David Rooke and Camille Gregoire.

Calahoo

By Liz McLeod

A farewell for Dennis Breteloff, Calahoo West Pool's agent who has been transferred to Mayerthorpe was held recently. Dennis is a community minded young man who helped immensely in getting sports going in Calahoo, and will be sorely missed.

Among the Calahoo WI members that attended the Grandmother's Tea in Spruce Grove were Mrs. K. Dalheim, Mrs. F. Brown, Mrs. G. Schmermund and this correspondent. There were 60 ladies present to enjoy the bountiful entertainment provided by the Spruce Grove WI. Many prizes were given in various categories and a delightful afternoon was spent.

BABIES IN THE NEWS

Congratulations go out to happy parents, Rolite and Karen Berube on the birth of a 6 lb. 8 oz. baby daughter, Happy grandmother is Mrs. Bertha Berube.

Leo and Evelyn Paquette are the very proud parents

of their first born son, Jason Leo who weighed in at 6 3/4 lbs. on June 15 at Sturgeon General Hospital. Congratulations, Mr. Albert Paquette is a very proud grandfather.

Dwayne and Doreen Schneider of Altondale are being congratulated on the birth of their daughter, Cara Louise, weighing 6 lbs. 13 ozs. and a sister for Darcy. John and Ann Carby of Calahoo are the proud grand-

parents.

We are so sorry to hear that Mrs. Fred Labonte was taken ill and is now in Stony Plain Hospital since June 25.

Mrs. Bruce York (Skinny) is now out of hospital but still taking therapy for her knee. Get well soon Skinny.

Try it -- the most profitable criticism is self-criticism.

To admit you are wrong isn't easy -- but it has been done.

SPECIAL COMMITTEE OF THE LEGISLATIVE ASSEMBLY ON PROFESSIONS AND OCCUPATIONS

On April 26, 1972, the Legislative Assembly of Alberta passed a resolution appointing a Special Committee of the Assembly with instructions to do the following:

- Conduct a review of the existing Alberta Legislation pertaining to
 - Regulation of Professions and Occupations;
 - Licensing thereof.
- Examine generally the policies and principles underlying such Legislation, particularly in relation to those professions and occupations that have been given the power of self-regulation and licensing as distinguished from those regulated and licensed by government; and
- Hear representations from Associations incorporated under such Legislation or that are representative members of a profession or occupation, whether it is presently subject to regulation by Statute or not;

and also to make any recommendations it considers desirable at the next Spring Session of the Legislature in regard to the matters enumerated above or related matters. Any persons or associations wishing to make representations to the Committee are invited to do so. All submissions must be in writing and sent to the Committee Chairman at the following address:

(Mrs.) Catherine Chichak, Chairman
Special Legislative Committee on Professions and Occupations
513 Legislative Building
Edmonton, Alberta

The deadline for receiving submissions is August 18, 1972. Associations referred to in paragraph (c) above that have filed submissions by that date will be informed as to when they may appear before the Committee for the purpose of presenting their submissions.

(Mrs.) CATHERINE CHICHAK, Chairman,
Special Legislative Committee on
Professions and Occupations.

At 87 years, Mr. Napoleon Laforce is proud and happy to see five generations. Left to right is his great-grand-daughter Mrs. Ernest Pelletier, Mr. Laforce, and his daughter Mrs. William Demers, standing behind is his daughter Mrs. Germain Auger holding Mr. Laforce's great-great-grandchild, Ronald Pelletier, all from Legal.

LEGAL LOCALS

By Lucienne Montpelt

The Knights of Columbus held their last meeting of the season on June 24 at the Rec Centre. Following the meeting the wives joined their husbands for a social evening. The District Deputy Mr. George Lee and his wife were also present. To conclude the evening a delicious luncheon was enjoyed by all.

Expressions of sympathy are extended to Mr. Leon Prefontaine who is mourning the loss of his brother Joseph who passed away on June 27 at the age of 69 years. He leaves two sons Henry, Edmonton; Marcel, Vancouver; three daughters: Mrs. Rita Graves, Edmonton; Mrs. Louise Lang, Spruce Grove; and Mrs. Jeannette Molisey, Coquitlam, B.C., four brothers, two sisters: Leon, Legal; Rene, Raymond, Octave, Mrs. Jeanne St. Arnaud and Mrs. Gracia Prefontaine, Edmonton. Funerals services were held Friday at St. Joachim's Church.

Father Roland Boissonnette left for Quebec, Sunday, to attend his parents 50th wedding anniversary. In case of emergency during the next three weeks you can contact Father Derome in Jarvie, phone 954-3850 or 954-3780.

The 2nd Legal Pack had their wind-up in the form of

a welner roast at the campsite on June 27. Many thanks to the mothers that went along to help the Brown Owl.

Those interested in the following courses: candle making, primitive clay, pottery, macrame, sketching, tie and dye will be offered in the Recreation Centre (at no cost) starting next week. Those interested should contact Mrs. Leonard Forcade - 598-2295.

The Legal Guide Company are in need of camping equipment. Anyone having some of the following articles that they don't need the Guides would appreciate it if you would donate it to them. Saw (back) shovel, axe, flashlight, dish pans, tarp 9' x 12', sheet of plastic 8' x 100', cast iron frying pans, can opener, camp cooking pots, utensils, pancake turner, soup ladles plastic pails, water containers, butcher knives, gunny sacks etc. These articles could be brought to the homes of Mrs. Gaetone Champagne or Mrs. Lucienne Montpelt as soon as possible.

Bernice Mercier, Rita Laframboise and Helene St. Louis hosted a bridal shower for Marie Laframboise on June 28 at the Rec Centre. Marie will become the bride of Tom Keane from New Brunswick in Legal's St. Emile's Church on July 8th.

A Fete au Village meeting will be held on Monday, July 10 at the Rec Centre, 8 p.m. Everyone is welcome.

SLOWER PACE

Even though prices are still advancing -- we are at least past the point where speedometers are used for price tags.

By Liz McLeod

Thirteen members of Calahoo WI gathered at Mrs. R. Schermund's home June 26 for their monthly meeting. Fragrance filled the air since each member wore a wild rose, emblem of AIDI as their roll call for this pleasant evening.

With June being visitors month for this group, five members: Jan Cruickshank, Margaret McDonald, Joyce Kyle, Karoline Ariow and Joyce Whitson of Independence WI were present and Mrs. Maria Eckerle of Onoway WI was invited to show some slides of other European trip.

A letter was read from handicraft convener Mrs. Dorothy McLaughlin of Fort Saskatchewan with regard to Calahoo WI demonstrating the Story of Wool at Klondike Days. A letter from District Agriculturalist Wally Klatt informed the group that Mr. P. McCalla would act as judge for the Flower and Vegetable show at Calahoo.

Mrs. V. Albrecht, handi-

Potters celebrate Silver Wedding

Mr. and Mrs. Donald Potter celebrated their silver wedding anniversary on Monday, July 3 in Namao Hall. Over 200 friends and relatives attended the dance held in their honor. Dan and Laura were married in Sunnyside Church and have three children, Diane, Mrs. Philip Gibson, sons Wayne and Brian and one grandson, Bradley Gibson.

Master of ceremonies, Mr. Clayton Crozier, spoke of their contribution to the community. Laura has worked with the Explorers and CGIT girls for 10 years and Dan has been keenly interested in hockey, coaching for many years. They have both worked hard for the community league.

Doug Bowman, best man at the wedding, gave a few anecdotes over the years and Mr. Lawrence Rye gave a little history of Dan and Laura's families who were both pioneers of the Sunnyside district. The Namao orchestra played for the evening of dancing.

The couple were presented with a bouquet from the community league and a purse of money from the community.

A millionaire is a man with enough lettuce to choose his own tomatoes.

craft convener, reported on the handicraft workshop she attended on the 21st of June in Wabamun.

President Mrs. K. Dalheim informed us of Drayton Valley WI inviting Calahoo WI to Lake Isle on July 24. Also a message from the business class at Onoway School wishing to do something useful by duplicating important papers for anyone in the district at a small cost. Mary got programs and song sheets duplicated by this class for the conference.

The WI group will meet on July 19 for last minute arrangements before Klondike Days venture.

It is hoped that anyone knowing about the early days will help members of Calahoo WI gather the history of

the district since they are in the process of writing the history of Calahoo, formerly called "Noyes Crossing" and surrounding district.

The door prize was brought by Mrs. K. Dalheim and won by Mrs. J. Dalheim.

With the business dispensed with, members enjoyed Mrs. Eckerle's explanation of her many wonderful, colorful slides. They marvelled at the castle that was 300 feet high and to tour it she walked 12 miles.

Since Mrs. Eckerle's brothers are one a policeman and one a detective in Germany, she got in to look around and got pictures inside the gallery and church and saw magnificent old carvings, chandeliers etc. all in purest gold and glass. The sunset pictures right

in Onoway were beautiful and one sunset taken out of the plane window at footed was a sight, and while visiting her daughter at Lac La Biche she got many wonderful pictures of a parade. All in all we had an immensely interesting two hours of viewing.

Lunch and singing happy birthday to Betty Albrecht and Alice Schermund, (Edna Guenette was absent), ended the meeting for summer recess. Regular meetings reconvene in September

Villeneuve

Mr. and Mrs. George Borle and family spent the weekend at Three Hills visiting the Andy Kaplar family. They attended the confirmation of Connie and Nora Kaplar.

The winner of the money doll at the Villeneuve annual picnic raffles was Mr. Marcel Gagner. The wooly dog was won by Mrs. Gordon Soetaert.

Mrs. Harry Lema is a patient at the Misericordia Hospital.

Miss Eva Eli won the attendance prize at the CWL meeting.

It is good to see Gordon Soetaert back at work after his sojourn at Sturgeon General Hospital in St. Albert.

Sister Sabina (Shirley) Majeau of Weston, Ontario spent several days visiting her parents Mr. and Mrs. Luke Majeau. She was enroute to Fort Worth College in Spokane where she will spend the summer months.

Mr. and Mrs. Wm. Oulmet spent the June 16 weekend at Jasper.

The C. J. Klak yard has been the temporary home of two campers and one holiday trailer from Washington, U.S.A. Mr. and Mrs.

NOTICE FOREIGN INVESTMENT LAND STUDY

A select committee of the Legislature will study Bill 107 which will limit the sale of Crown lands to Canadians. In addition, the Committee will consider all aspects of foreign ownership of Alberta lands.

The public is invited to submit written briefs to the Chairman for consideration by the Committee. Briefs should be hand-written or typed; signed by the individual or group; and 12 copies mailed to the Chairman no later than September 1st, 1972. Those submitting briefs will be invited to present their submissions at a public hearing in the Legislative Building, Edmonton, on September 18th, 1972.

An interim report on the Committee's findings will be submitted to the fall sitting of the Legislature.

Copies of Bill 107 and any additional information can be obtained from: Julian Kozicki, M.L.A., Strathcona, Chairman Foreign Investment - Land Study Room 513, Legislative Building Edmonton, Alberta

Wedding & Shower gift suggestions

By Pat Prymak,

District Home Economist. People are always looking for new ideas, I hope the following will provide a number of suggestions for those summer showers and weddings ahead.

a) **COOKBOOK:** Weddings and showers deserve special consideration. The young bride might find a good cookbook useful. When buying a cookbook there are a few things that should be considered. The recipes should have complete instructions, the ingredients should be readily available, and the cost of preparation should be reasonable. The area of publication should be noted as changes in the recipes might be necessary to compensate for altitude differences. (I would like to suggest a cookbook written by Miss Hazel McIntyre who was the former director of the School of Household Economics at the University. This book can be obtained from the Alberta Home Economics Association, Box 1052, Edmonton, Alberta for about \$3 a copy).

b) **DINNERWARE, GLASS WARE AND FLATWARE:** The bride often chooses a pattern in dinnerware or crystal. She may be registered at the store of purchase, and this store will have a record of the pieces she has. If this is not the case, her mother or friend may be able to help you. In addition to the usual pieces, you can also obtain serving pieces which might include a cream and sugar set or a gravy boat.

c) **COOKWARE:** Cookware is also needed. It is often more practical to buy single pieces with thought given to their use rather than an entire set. There is aluminum, stainless steel, pyrex, enameled ware and cast iron to choose from.

d) **KITCHEN UTENSILS:** Showers are good occasions to give small kitchen utensils, mixing bowls, storage containers, and the ever useful rolling pin. Everything but the kitchen sink can be considered for a girl who hasn't set up housekeeping. Why not "add a little spice" to the young bride's

life by giving her a spice rack with both usual and unusual herbs and spices. e) **ELECTRICAL APPLIANCES:** Small electrical appliances such as can openers, portable hand mixers, irons, electric knives, toasters, frying pans, and coffee pots are always welcome. It is wise to check with Consumer Reports and Consumer Bulletins as to which are recommended.

f) **SPECIALTY ITEMS:** A few specialty items such as fondue pots, chafing dishes, wine decanters, silver and aluminum serving dishes, and electric warming trays have become popular recently. These are items to be considered for friends who have everything else, and who do a lot of entertaining.

g) **WOODENWARE:** Woodenware is both beautiful and durable. Instructions for its care would be a useful thing to include with a gift. To retain the beauty of woodenware, it is wise to rinse and dry immediately as detergent will damage the wood. If the wood is not finished,

it should be oiled to prevent staining with whatever is to be contained in it. Care instructions are not only important for wooden items, but also for anything requiring special treatment.

h) **KITCHEN LINENS:** Tablecloths, napkins and placemats can be used to enhance any table. Tea towels, potholders and dishcloths are necessary in every kitchen. The only problem in selecting these is not knowing what colors the bride prefers.

i) **LINENS:** Linens including sheets and towels are needed for an entire lifetime so extras are always welcome. Permanent press bed sheets and pillow cases are a very useful and time-saving item.

j) **OTHER SUGGESTIONS:** Blankets, ceramic pieces, wallhangings, and tapestries, radios, clocks, burners, canisters, sets, barbecues, or where storage is limited, a hibachi.

k) **EXCHANGE** should always be considered so that the receivers can get those items they need and find useful. It is also important when buying shower and wedding gifts to consider the couple for whom you are buying the gift, their likes and dislikes. Many couples today are turning away from the traditional collecting of bone china and stainless steel for that they see as a more functional existence. One must also remember that many young people when they are first married live in apartments and suites where storage is at a premium, and this is a very important thing to consider when choosing a gift.

Quota Policies

By W. O. Klatt, District Agriculturist

A pamphlet outlining the quota policies for the 1972-73 crop year is now being received by farmers from the Canadian Wheat Board.

All farmer producers should ensure they have this pamphlet.

Some of the significant changes will be that producers will be able to shift quota acres for a particular grain from regular quotas to specialty markets for the same grain as well as changing quota acres from specialty outlets to regular quota deliveries. Producers will be able to make changes such as these at any time up to May 31, 1973 subject to conditions outlined in the subject pamphlet.

Additionally, producers will be able to change their quota acres, in their books, in any way they want on or before October 31, 1972.

Nowadays the accent may be on youth, but the stress is on parents.

Beef carcass appraisal service

Re-issued from the District Agriculturist's office.

A Beef Carcass Appraisal Service has been instituted by the Canada Department of Agriculture Livestock Division, Ottawa, to provide producers of feeder

calves and finished cattle with detailed carcass information after their animals have been slaughtered. The data on such grade-out factors as warm carcass weight, quality grade, area of rib-eye and fat measurement can be used by producers to evaluate breeding, feeding and management programs.

A special Canada Department of Agriculture ear tag which is distinctive in color and design can be purchased from the Livestock Division, Ottawa, for \$1 per tag (and \$3 for the applicator). The purchasers of tags may tag selected animals at any time during their lifetime. Once tagged, the animal will carry the identifying number through the various marketing stages and into the slaughter house. When the animal is slaughtered, the tag will be removed from the ear and affixed to the carcass by the federal meat inspector at the plant.

Carcass grade-out data will be provided by the federal livestock graders at the plants, and relayed to the tag purchasers by the Division in Ottawa.

The Livestock Division will:

- (1) Register the purchaser's name;
- (2) Carry out a detailed carcass appraisal;
- (3) Provide the registered purchaser of tags with the following information:—
a) Place of slaughter;
b) Date of slaughter;
c) Ear tag number;
d) Warm carcass weight;
e) Quality grade;
f) Area of rib-eye;
g) Fat measurement;
h) Marbling score.

Those who wish to have more detailed information on the Carcass Appraisal Service can write to the Livestock Division, Canada Department of Agriculture, Ottawa, K1A 0C5.

Cattle may suffer from grain overload

Re-issued from the District Agriculturist's office.

Although it is impossible to estimate how many cattle suffer from grain overload each year, it is known that the number is large and that many die from this condition.

Dr. R. G. Christian, head of the Alberta government's veterinary laboratory at Fairview, says that feedlot cattle are likely to suffer from grain overload if they are placed on feed too quickly. In adult animals its occurrence is usually accidental, resulting from the cattle having got into stored grain. The problem also occurs in sheep, but apparently less frequently.

Dr. Christian points out that cattle suffering from grain overload can die very quickly, and that grain that has been ground or rolled is much more dangerous than whole grain. Grains like wheat and barley, which are high in energy, cause more severe problems than oats, for example, which

have a low energy content.

Initially, the animals rapidly become dehydrated because their body water is drawn into the rumen and lost to the system. The large volume of excess acid produced in the rumen, by the fermenting grain, is absorbed by the system causing the animal to become depressed. Diarrhea usually occurs six to 24 hours after the grain intake.

Very sick animals become so weak that they eventually go into a coma and die. Those with a less severe case of grain overload may become very lame from laminitis and separation of the walls of the hooves of the feet. Laminitis can also occur in animals which have been only slightly affected from too much grain.

Dr. Christian says that treatment for grain overload is difficult at any time, and particularly so when the animals have eaten an excess of ground or high energy feed. The best approach is to put them in a pen away from any

water, keep them moving constantly and call a veterinarian immediately. A delay of even one day can be disastrous, Dr. Christian says.

Veterinary treatment ranges from administering an antidote to surgically removing the stomach contents in severe cases. Other treatment methods include intravenously administering liquids to control dehydration and the use of drugs specifically designed for treating grain overload. Simply keeping the cattle moving for several hours is very helpful in some instances.

Obviously the best way to avoid losses from grain overload is to prevent the condition from developing in the first place. It can be avoided in a feedlot by putting the cattle on full feed gradually. The publication "An Introduction to Cattle Feeding Operations," available from all district agriculturists, describes several ways of doing this. In the case of adult cattle, every effort should be made to ensure that they cannot get into stored grain. A granary door carelessly left open or a weak wall are common causes of trouble.

Horses have sometimes been known to kick a granary door open, thereby, allowing the cattle easy access to the grain. Whenever possible, grain should be stored in an area that is completely separate from where the cattle are kept.

Morinville exchange students, with supervisors Mr. Gerald Houle and Mrs. Laurie Houle, will visit Louiseville, P.Q., and Ottawa. Co-ordinators of the exchange are Mr. Marcel Schayes and Mr. Gerard Lavigne: Joanne Bachand, Denis Boissonault, Gerard Carignan, Lynne Champagne, Louise Courchesne, Janielle Gibeau, Julie Himschoot, Donald Krauskopf, Sherry Kryskow, Gerard Leduc, Laurier Nobert, Dianne Mariel, Shirley Mikaluk, Aline Remillard, Monique Riopel, Kelvin Saldiero, Louise St. Laurent, Norman St. Laurent, Michelle Tellier, and Carol Woytkiw.

Plans Finalized For Student Exchange Trip

By Rose Martel

Twenty students from Georges P. Vanier School, Morinville, will leave by plane on July 14 for a 10 day tour of Louiseville, P.Q. They will also spend two days in Ottawa. Travelling by CNR on their way westward back home, they will be accompanied by their parents from the east, who will visit Morinville, Jasper, Kinsale Days and the City of Edmonton, and will tour the district, during a visit until August 7.

Participating in this student tour are: Mr. Marcel Schayes, co-ordinator; Mr.

Gerard Lavigne, co-ordinator and Mr. Gerald Houle, supervisor of trip.

The students would like this opportunity to express their thanks to the school staff members, the hosting committee, their parents and the various clubs and local organizations, who have helped make this project a reality. Without their co-operation and financial support, this exchange trip would not have materialized. Student representatives are Carol Woytkiw, chairman; Sherry Kryskow, secretary and Laurier Nobert, student representative.

Calahoo group entertains Senior Citizens

A very interesting evening was held at the Gazebo June 29 at 8 p.m. when young students, Miss Marjula Chamberland and Laurent Coulombe from the Provincial STEP program came out to help entertain

Calahoo and district senior citizens with some very amusing, interesting films.

There weren't too many who came out but Mr. and Mrs. John Dezoze, Mr. and Mrs. John Radjo, Mr. and Mrs. Vance Berry, Mr. and Mrs. Ferd Lischewski, and their company, Ferd's sister and niece from Germany and brother Rudolph from Toronto, Mrs. Arvilla Majeau, Mrs. Clara Loyer, Mrs. Fred Brown, Mrs. Helen Quintal, Mrs. Marlene Berville and Mrs. Bernice LaBonte and this correspondent certainly enjoyed the friendship meeting and lunch provided by the Sports Association.

It is hoped that the next meeting will create more interest.

The trouble with great minds is they sometimes grate.

It's later than you think—time is fast approaching.

Yvette Hebert Becomes Bride of Guy G. Nobert

By Rose Martel

Recently Miss Yvette R. M. Hebert, daughter of Mr. and Mrs. Walter Hebert of St. Albert and Mr. Guy Georges Nobert, son of Mr. and Mrs. Georges Nobert of Morinville were united in a double ring wedding ceremony in St. Albert, performed by Rev. Father Colin Levangie, pastor of St. Albert, assisted by Rev. Father Denis Hebert, and Rev. Lucien Tellier, cousin

of the groom.

Entering the church on the arm of her father, the charming bride chose a white gown of chiffon over satin with lace bodice, empire waist, round collar and lily point sleeves. Her A-line skirt fell into a train. Her bouffant shoulderlength veil was held by a crown, and she carried a cascade bouquet of white and yellow mums.

She was attended by Mrs. Stella Belwood, of Cran-

brook, B.C., and Miss Collette Hebert of St. Albert. Both were gowned in yellow chiffon and floral yellow sheer featuring empire waistlines and bouffant skirts, full sleeves and round neckline. Their gowns were complemented by white accessories and each carried miniature bouquets of yellow and white shasta daisies. Best men Mr. Norman Belwood of Cranbrook, B.C., and Mr. Laurier Nobert, cousin of the groom, of Morinville. During the church ceremony, Mrs. Bertha Kennedy was organist, and soloists were Mr. Roger and Mr. Guy Hebert, both of St. Albert.

Dr. Leonard Nobert, was master of ceremonies at a

reception and wedding banquet which followed in the Morinville Recreation Centre for 125 guests. Mr. Guy Hebert, brother of the bride, proposed the bridal toast.

For her daughter's wedding Mrs. Hebert chose a mint green gown with lace vest, white accessories and miniature pink roses. Mrs. Nobert chose a light blue satin gown with matching lace coat, white accessories and a white orchid corsage.

Mr. and Mrs. Guy Nobert will make their home in Edmonton.

As I See It

by ROSE MARTEL

By Rose Martel

The long summer holidays began less than a week ago and already boredom has set in for many of our teenagers. They are walking the streets, sleeping till noon, and finding home dullsville, because the TV has only re-runs and the water holes cost too much money, and the welcome mat at the public coffee houses has worn thin. These remarks are not directed to those who have their head screwed on right. Rather, they are aimed at those who feel the world owes them a living, free entertainment and the old home town is for the birds.

I am sharing for all to read, a letter which has come my way, written by Police Chief L. D. Harris, from Manassas Park, Virginia. He offers this advice, which I am passing on to all, old and young alike for comment:

"Always we hear the plaintive cry of teen-agers: What Can We Do? Where Can We Go? The answer is GO HOME. Paint the woodwork, fix the windows, rake

the leaves, mow the lawn. Sweep the walk, wash the car. Learn to cook, scrub the floors. Repair the sink. Build a boat. Help the minister, priest or rabbi; the local organizations, such as Lions, Kiwanis, Legion, Golden Age Club members with projects or chores. Visit the sick, the blind, the elderly. Assist the poor. Study for the future. When you have nothing else to do, read a book . . . a good book."

Your parents, continues the Virginia Police Chief, do not owe you entertainment. Your village or town does not owe you recreational facilities. The world does not owe you a living. You owe the World Something . . . You owe it your time and energy and your talents, so that no one will be at war or in poverty; or sick; or lonely again. In plain simple words: Grow up, Quit Being a Cry Baby! Get out of your dream world; start acting like a man or a lady."

As I see it: this letter to my personal thinking, is extremely sound advice, which all of us could well take to heart. Many may not agree with the Chief's advice, many will certainly not put it in practice. BUT . . . who knows, maybe some will keep busy and profit by life's experiences that busy individuals learn by doing . . . not dreaming about life in general.

Happy and safe holidays everyone.

Calahoo WI Tour

By Liz McLeod

For their city tour this year, Calahoo WI went first to the Winifred Stewart School for Retarded Children. While these happy children may be slower at learning, it's just amazing what work they accomplished.

Then on to lunch at the Boardwalk before leaving for Fort Saskatchewan to tour the Johns Mannville Glass Plant which was very interesting.

Since Fort Saskatchewan WI were holding a Crafts and Hobby Show that weekend our last stop was there. Coming home across country we stopped at Namsa's store for a treat.

CARD OF THANKS

Mrs. Albert Craig and family wish to convey their heartfelt thanks for support given during their recent bereavement in the sudden death of their brother and uncle, Mr. Ernest Craig of Edmonton, who passed away on June 20th. Thank you for the many expressions of sympathy, cards, flowers and help offered by friends, neighbors and relatives. Spiritual offerings received by the family were deeply appreciated.

Mrs. Lorette Craig and Family.

VILLAGE OF LEGAL Public Notice

Notice is hereby given that the Village of Legal intend to purchase certain properties outside of the Village boundaries and within the Municipal District of Sturgeon for utility purposes.

Any person or persons having objection to the above plans may file such objection to the Village Secretary in the Village of Legal before July 21, 1972. A hearing will be held in the Village Office on July 24, 1972 to review objections received if any.

Dated this 26th day of June, 1972.

Agnes Montpetit,
SECRETARY-TREASURER

ATTENTION Effective July 1, 1972

THE CREDIT AND LOAN AGREEMENTS ACT AMENDMENTS REQUIRE THAT:

A late or penalty charge is restricted to that disclosed to the consumer at the time the credit is granted.

At the consumer's request, a statement showing the net amount due and the calculation required to pre-pay the loan or time-sale must be provided by the lender or credit grantor.

The consumer shall have no liability when, after July 1st, an unsolicited credit card is issued unless the consumer makes use of the card or acknowledges acceptance in writing.

When terms of credit are adverted, "full disclosure" must be made of all terms, conditions and interest rates.

FOR FURTHER INFORMATION:

CLOSED SUNDAYS

ST. ALBERT RECREATION

HI - LITES

There are a few openings in a class for intermediates being held from July 17 - 28. Please enquire at the pool. Scuba diving equipment will be allowed in the pool from 9 - 10 p.m. on Sunday, July 9th.

On the following Sunday, July 16, a Mile Swim will be held during the same hour. Many people think they can't swim a mile and then are pleasantly surprised that they can! The Mile Swim is sponsored by the Alberta Safety Council and anyone interested - or curious - about their stamina and powers of endurance can put them to the test on Sunday.

Accommodation is limited so please register at the pool. All it will cost is the usual admission and if the mile is finished within a certain time, a crest will be available at a small charge. Adults are reminded that there is no age limit although so far only the youngsters appear to have any confidence in their own swimming ability.

The music emanating from the pool on Tuesdays and Thursdays from 5 - 6 p.m. is in the cause of synchronized swimming. A

class of girls are very enthusiastically learning to perform various routines on and under the water. The music, being an integral part of this program, may be sometimes louder than normal so that the girls can hear.

FIRST AID:
A St. John's Ambulance Emergency First Aid course is being arranged for boys and girls between the ages of 9 and 14. It will run from July 10 - 14 (inclusive) in the Clubhouse with a class held each morning from 10 a.m. to 12 noon. The fee is \$2 which covers the cost of registration, materials and a certificate.

TENNIS:
A Junior tennis morning is being held each Tuesday from 9:30 a.m. to 12 noon when juniors who took lessons this year can continue to put into practise what they have learned. These

sessions will be organized and supervised by Mrs. Cynthia Sage and Miss Bernice Parsons, members of the St. Albert Tennis Club. There is no charge.

Ladies morning is on Thursdays when ladies can get together at the courts at 10 a.m. without having to arrange a game beforehand.
